Privacy Policy

Effective Date: May 12th 2024

Thank you for choosing University Authenticator, herein referred to as "the software". This privacy policy explains our practices regarding the collection, use, and disclosure of your personal information when you use the software. By using the software, you, herein referred to as "user", agree to the collection and use of information in accordance with this policy.

1. Information We Collect

- **Username and Unique ID**: We collect the user's username and unique ID from websites such as app.university.com, app.jointherealworld.com, and therealworld.ag through accessing local storage.
- **Username on TradingView**: We collect the user's username from tradingview.com.
- **Email Address**: We collect the email address associated with the user's logged-in Chrome browser account.

2. How We Use Your Information

The software uses the information collected to:
- Provide, operate, and maintain the software
- Improve, personalize, and expand the software
- Understand and analyze how the user uses the software
- Develop new products, services, features, and functionality

3. How We Store and Protect Your Information

The user's information is stored in a secure database and protected using industry-standard security measures. We are committed to ensuring the security of the user's data.

4. Disclosure of Your Information

The software will not share the user's information with third parties, except as required by law or to protect our rights.

5. Your Rights

The user may access, or delete the information we have on them by contacting us directly.

6. Changes to This Privacy Policy

We may update this privacy policy from time to time. We will notify users of any changes by posting the new privacy policy on this page.

7. Disclaimer of Affiliation

The software is not affiliated with app.university.com, app.jointherealworld.com, therealworld.ag, or tradingview.com. These entities are separate and independent.

8. Disclaimer of Liability

To the fullest extent permitted by law, the software is not liable for any indirect, punitive, or consequential damages arising from the user's use of the software.

9. No Warranties

The software is provided to the user on an 'as is' basis with no warranties regarding its performance or accuracy. We disclaim all warranties, express or implied.

10. Indemnification

The user agrees to defend and indemnify us against any claims, damages, or costs arising from their use of the software.

11. Intellectual Property

The software and its original content, features, and functionality, including all associated intellectual property rights, are and will remain the exclusive property of the entity represented by the email pandoraelibertas@gmail.com.

12. Open Source Disclaimer

While the software supports the philosophy of open source software, it does not make its source code available to the public.
